Swim Wales Photography Policy

Please be advised that photographs and videos may be taken at this event.

Swim Wales are aware of the wide range of devices including mobile telephones which have photographic and filming capabilities. This enables the capture of both static and moving images. Used responsibly, such devices are perfectly safe, but sharing images widely may betray a confidence or identity of a child/children which may present a risk of harm to the child/children concerned.

The use of such equipment is difficult to control but we can all be vigilant. If you have any concerns or safeguarding queries, please bring them to the immediate attention of the event management team present on site. Swim Wales may use photographs taken at this event as promotional material and used across public forums including our website and social media accounts.

Should you wish to refuse photographic permission please contact the event management team on site. The full swim wales photography guidance policy can be found on the Swim Wales website.
