

The Meet Team Welcome you to the City of Bristol Aquatics

A big thank you to the Hengrove Park Team for their support for this meet and the hard work that goes into making the pool ready for competition.

I would like to give a huge thank you to all our volunteers involved in organising and running this event. Without the enormous support of many volunteers (Heat Marshalls, Team Managers, Coaches and Officials) This event would not be possible.

Also, a big thank you to all the parents of all our athletes for their continued support to our club and Athletes alike.

Which just leaves me to wish everyone competing this weekend the very best of luck and hope you all have a successful and enjoyable competition.

Whilst the Governmental COVID restriction have been remove we would like to remind all attending that COVID is still ever present, and it is individual responsibility to help protect each other and reduce the spread of the virus

Kindest Regards

Tim,

Officials

A huge thank you to those who have already signed up for sessions across the weekend it is much appreciated.

We are still in need of more officials across the weekend in order to meet our licensing requirements and to allow the running of the full schedule of events.

I would ask that any licensed official attending to please sign up to help out by visiting the Swim Meet sign up by clicking the below link. Without Officials we can't run the meets for the swimmers.
